

Antigua

Day 1: Arrive in the VC Bird Airport Antigua where a transfer will take you to Cookielicious moored/anchored in Falmouth Harbour Marina. The afternoon will be spent familiarizing yourself with your new home, testing the water sports & visiting the historic Nelson's Dockyard.

Day 2: We test your upwind sailing skills with a short exhilarating upwind sail to Green Island and a lunch stop at Harmony Hall. A converted sugar mill with a fantastic Italian restaurant and views overlooking the yacht. For dinner we will move the yacht out to Green Island, for an afternoon of water sports and snorkeling and a very peaceful nights sleep.

Day 3: A downwind sail to Carlisle Bay. Anchored off a top class resort, in a beautifully protected bay may mean you can easily find yourself dining ashore in one of their two top class restaurants.

Day 4: Today we sail inside the beautiful Cade's Reef heading for Five Islands Bay, a water sports paradise and a tranquil backdrop for dining onboard.

Day 5: Today we can either head to the deserted island of Barbuda or to the equally deserted anchorage off Bird Island. Both places are outstandingly beautiful, with a 12 Mile beach awaiting your arrival in Barbuda.

Day 6: Heading back to Jolly Harbour. A perfect anchorage to head ashore, absorb the bustle of a busy marina & casino or spend the evening overlooking the cliffs at Coco Point, a truly magical restaurant .

Day 7: An upwind sail back to Falmouth Harbour Marina, stopping for a lunch time swim and snorkel before your transfer takes you back to the airport.
