British Virgin Islands

 Day 1 Embarkation at Trellis Bay (a dinghy transfer from Beef Island airport). The Last Resort Restaurant is our recommendation here but you would probably prefer to eat on board .

 Day 2 After breakfast, sail over to The Caves, Norman Island for some snorkeling then to Peter Island. Anchor for lunch before moving to Sprat Bay for optional dinner ashore at the Peter Island Resort.

 Day 3 After a leisurely breakfast we would visit the Baths at Virgin Gorda and recommend Little Dix for a restaurant visit .

 Day 4 Spend the day visting Bitter End Resort. Here they offer watersports to visting yachts and a lovely National Park is nearby for snorkeling.

 Day 5 Leave Virgin Gorda and head over to Great Camanoe and Guana Island. Anchor overnight off Marina Cay.

 Day 6 Sail across to Jost Van Dyke and visit the 'desert island' of Sandy Spit.

Day 7 Free day to allow for extra time in the itinerary.

 Day 8 After breakfast sail to Trellis Bay, Tortola, before disembarking at around midday for transfer to Beef Island airport.

NB. All locations and passages contingent upon suitable weather conditions.
